

## **DesTech COVID-19 Protocols**

As always, DesTech's #1 priority is to provide a safe and welcoming environment for both our customers and employees.

DesTech has implemented the following public health protocols in accordance with the current government and health authorities' guidelines:

### **69 Yonge Street Lobby**

- A facemask or covering must always be worn in common areas, including the elevator.
- Controlled traffic flow for social distancing and crowd control purposes. Stanchions, wall signs and floor decals will be used throughout the ground floor and elevators to help navigate around the building.
- Building Security will be joined by a Security Ambassador on the ground floor. The Security Ambassador will offer assistance and guidance regarding the building protocols (in addition to each individual tenant and visitor taking responsibility to follow all guidelines for the health and safety of themselves and those around them).

### **DesTech Training Centre**

#### **Common Area**

- A facemask or covering must always be worn in common areas, including the elevator, lobby area and washrooms.
- Before entering the DesTech office space, all visitors to DesTech will be asked to take a temperature reading using contactless thermometers, as temperatures will be taken each day upon arrival to DesTech. Any visitor who does not submit to a temperature reading or whose temperature is deemed not to be within the acceptable limits will not be permitted entry.
- To gain entry to our facility, all visitors to DesTech will be asked to complete and sign a COVID-19 screening form.
- Collection of contact details for the purposes of contact tracing is required.
- Wall signs and floor decals will be used throughout DesTech to remind visitors to observe prevailing physical and social distancing standards and to wash hands as often as is necessary.
- For your convenience, hand sanitizer will be made available throughout the DesTech facility.
- All common areas will be cleaned/ sterilized at regular intervals by DesTech and/ or building staff.
- To minimize physical contact, the kitchen/ lounge area will be unavailable for use until further notice.
- Juice, water and snacks (coffee and tea are unavailable at this time) are still complimentary at DesTech and will be distributed to students by a DesTech staff member at the start of the day.

## **Classrooms**

- In the classrooms, there will be assigned seating for all students, with a minimum spacing of 2 metres (6 feet), 4 students limit for large classrooms; 2 student limit for small classrooms
- For added protection, clear plastic separation screens have been installed at all student and instructor stations
- Students are not required to wear masks while seated at desks
- To minimize physical contact, we encourage students to spend as little time as possible in common areas

All DesTech employees and instructors will be subjected to the same health & safety protocols as our customers
